Yealink CP700 Datasheet

Ultra-compact Flexible Speakerphone

Yealink CP700 is a portable, personal speakerphone that rewards you with trouble-free plug-and-play connectivity so that you can connect it to your PC, tablet, and smartphone via Bluetooth wireless pairing and USB wired connection. To let you feel free to sit at any end of the table or walk around your office, CP700 packs itself with Yealink HD voice quality. Wrap the CP700 with the 2 omnidirectional microphones and the Yealink audio algorithms, and we have crafted an elaborate speakerphone experience for you indeed, including the 360-degree voice pick-up ability and the best echo cancellation, which always keeps you focused on your conversation. To let your calls on the go, CP700 not only has a premium battery life with a 9-hour talk time but also a protective zipper bag. Yealink CP700 is your speakerphone that presents the immersive sound for either calls or music and makes the call controls accessible on the P700 itself directly.
