Yealink ZenOffice32 Datasheet

Yealink ZenOffice32 Bluetooth Headset

The ZenOffice32 is designed to meet diverse communication needs across office, remote, and hybrid mobile work scenarios, adapting effortlessly to different working environments. Built with cost-efficiency at its core, it is ideal for large-scale enterprise deployment, helping organizations effectively reduce overall communication costs. Powered by Yealink's 3rd-generation AI Intelligent Microphone Noise Cancellation Technology and equipped with dual microphones, the ZenOffice32 intelligently detects and suppresses ambient noise to deliver consistently clear and smooth call experiences. Its lightweight design, ergonomic headband, and soft memory foam ear cushions provide exceptional comfort for all-day wear. With immersive sound performance for both work and entertainment, combined with long battery life and intuitive controls, the ZenOffice32 is the ideal companion for efficient communication and seamless collaboration.

Key Features

Wireless Freedom for Mobile Work

The ZenOffice32 delivers a stable Bluetooth connection with a wireless range of up to 164 feet, allowing users to move freely between desks, meeting rooms, and open office spaces. It ensures seamless communication and uninterrupted workflow, making it an ideal solution for modern mobile work and large-scale enterprise deployment.

2-Mic Intelligent Noise Cancellation for Crystal-Clear Calls

Powered by Yealink Acoustic Shield, the ZenOffice32 features dual microphones that intelligently detect and reduce ambient noise, ensuring your voice is captured clearly and delivered naturally. Advanced signal processing and noise suppression algorithms effectively minimize common office distractions, enabling professional communication even in open and noisy environments.

Lightweight and Comfortable for All-Day Wear

The ZenOffice32 weighs only 160 g and is specifically designed for all-day comfort. Its ergonomic headband and soft memory foam ear cushions help reduce pressure during extended use, ensuring a comfortable wearing experience throughout the day. The ambidextrous wearing design allows users to wear the headset on either the left or right ear, accommodating different preferences and usage needs. Validated through extensive wearing tests, it is well-suited for long calls and back-to-back meetings. In addition, the replaceable ear cushion design helps extend the product's service life.

Ultra-Long Battery & Busylight for Uninterrupted Productivity

With up to 35 hours of talk time, ZenOffice32 supports full-day productivity with fewer charging interruptions. The built-in Busylight automatically turns on during calls or meetings, clearly signaling "Do Not Disturb" to reduce distractions and improve focus.

Compatible with Mainstream UC Platforms

The ZenOffice32 works seamlessly with Zoom, Google Meet, and 100+ UC platforms, enabling smooth collaboration across devices and applications—wherever work happens.

Specifications

Specifications	Introduction
Headset Wearing Style	Available in dual and mono
Connectivity	• Bluetooth version: Bluetooth 6.1 • Wireless range: 50m/164ft • Connect to: - USB C/A adapter with BT51C dongle - USB cable - Bluetooth • Simultaneous Bluetooth connections: 2 • Multiple device pairing: Up to 8 devices
Audio	• Microphone number: 2 • Acoustic Shield: √ • Speaker Size: Ø 35mm • Microphone sensitivity: -44dB • Microphone frequency response: 100Hz-8kHz • Speaker sensitivity: 112.7@ 0.9v

	• Speaker impedance: 32 Ω • Maximum speaker output power: 30mw • Speaker frequency response: 20Hz-20kHz • Hearing Protection： - Peak Block Protection (EN50332) - Australian G616 Protection (AU G616) - Daily Noise Exposure Protection
Battery	• Battery Capacity: 420 mAh • Talk time: Up to 35 hours (Busylight off) • Music time: Up to 43 hours (Busylight off) • Charging time: Up to 120 min • Standby time: Up to 20 days
Call Control & Light	• Answer/End/Reject a call • Volume up/down • Mute/unmute - Move the microphone boom arm up to mute, or down to unmute - Press and hold volume down for 2 seconds to mute/unmute • Power on/off/pairing • Play/Pause • Busylights (single side)
Management	• Yealink USB Connect (PC) • Yealink Connect APP (Android, iOS) • Yealink Device Management Platform
Package Contents	• Headset • Drawstring Bag • USB Charging Cable: 1.2 m • Quick Start Guide • BT51C Dongle • USB C/A adapter

Packing	• Product net weight: - ZenOffice32 Headset: Dual 160g/5.64oz; Mono 105g/3.70oz • Giftbox size: 184 x 71 x 192mm • Giftbox G.W: Dual 0.292 kg; Mono 0.235 kg • Giftbox N.W: Dual 0.208 kg; Mono 0.153 kg • Carton size: 380 x 375x 200mm • G.W/CTN: Dual 3.548 kg ; Mono 2.966 kg • N.W./CTN: Dual 2.92 kg ; Mono 2.35 kg
