Yealink CP900 Datasheet

Ultra-compact Personal Speakerphone

Yealink CP900 is a high-performance portable speakerphone that is flexible and scalable for meetings. Yealink CP900 rewards you with a trouble-free plug-and-play connectivity that allows you can connect it to your PC, tablet, and smartphone via Bluetooth wireless pairing and USB wired connection. To let you feel free to sit at any end of the table or walk around your office, CP900 packs itself with Yealink HD voice quality. Wrap the CP900 with the 6-microphone beamforming array, full-duplex technology, and the Yealink audio algorithms, and we have crafted an elaborate speakerphone experience for you indeed, including the 360-degree voice pick-up ability and the best echo cancellation, which always keeps you focused on your meeting. To let your meeting on the go, CP900 offers not only a premium battery life with 12-hour talk time but also a protective zipper bag. Yealink CP900 is your speakerphone that presents the immersive sound for either calls or music and makes the call controls accessible on CP900 itself directly.
